<sup>1</sup> ShipRush USPS prints delivery-confirmation parcel shipping labels. Add postage using stamps, a postage meter, or at a post office counter.

<sup>2</sup> This cost is the \$29.95/month for the ShipRush-ready Stamps.com account. There is no charge for the ShipRush software.

<sup>3</sup> Cost of ShipWorks service + Endicia account. ShipWorks service is \$14.95 to \$49.95 per eBay seller ID per month. Endicia service is \$15.95 to \$34.95 per month. Both ShipWorks & Endicia must be purchased in order to ship via USPS.

<sup>4</sup> Shippers who print more than \$5000 of qualifying postage in a month will be credited with a free month of service. This offer is available month-by-month. A shipper may qualify all months, some months, once in awhile, or never. Shippers are, of course, still responsible to pay for postage, insurance, extra services, and other delivery charges. Qualifying postage is: Priority Mail®, Express Mail®, Priority Mail International®, Express Mail International® & Global Express Guaranteed®.

<sup>5</sup> For high volume, ShipWorks is \$49.95/month for \$599.40/year. To print postage, an additional Endicia account is required, usually at \$34.95 per month. Both ShipWorks & Endicia must be purchased in order to ship via USPS.
